Lidding Film - Regulatory Fact Sheet

Multi-Plastics LODL Series

Heavy Metals Compliance Statement

Multi-Plastics, Inc. hereby certifies that all **MPI LODL** series films comply with the requirements of the toxics in packaging laws. Specifically:

- We certify that the regulated metals of lead, mercury, cadmium, and hexavalent chromium were not intentionally added to any of our **MPI LODL** series films during the manufacturing process.
- We further certify that the sum of the incidental concentration levels of lead, mercury, cadmium, hexavalent chromium present in any **MPI LODL** series film does not exceed 100 ppm by weight (CONEG model limit). These substances are also restricted or forbidden by provisions of EU Directive 2011/65/EU (the RoHS Directive Two). Complies with EU Directive 94/62/EC and its amendments.

FDA Compliance Statement

Multi-Plastics, Inc. further guarantees that our **MPI LODL** series films that are hereafter shipped or delivered to a purchaser, as of the date of such shipment of delivery and subject to the conditions of use or other restrictions if any, are not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, as amended. **MPI LODL** series films also comply with the following Food and Drug Administration Regulations:

21 CFR 177.1630 (f) and (h): This regulation describes polyethylene phthalate polymers that can be safely used in articles for packaging or holding food at the prescribed limits and conditions.

Allergen Statement

This is also to confirm that **MPI LODL** series films do not contain any components based on/or derived from any known or potential allergen such as, but not limited to:

1. Peanuts
2. Tree nuts
3. Eggs or egg derivatives
4. Dairy or dairy derivatives
5. Wheat or wheat products
6. Soy or soy derivatives
7. Gluten from rye, oats and barley
8. FD&C/synthetic colors
9. Sulfites
10. Sesame/poppy/caraway seeds
11. Shellfish/fish
12. Crustacea
13. Corn or corn derivatives
14. Cottonseed products
15. Monosodium glutamate
16. Mustard
17. Celery products
18. Natural rubber latex

Toxics Statement and Proposition 65 Compliance

Multi-Plastics, Inc. also certifies that our **MPI LODL** series films do not contain any of the following chemicals:

Bisphenol A, PVC, chlorinated phenols, phthalates (DEHP, BBP, DINP, DBP, DnHP, DNOP, DIDP), poly-brominated biphenyls (PBB) or poly-brominated biphenyl ethers (PBDE), naphthalene (and/or naphthalene compounds), melamine, diethanolamine (DEA), triethanolamine, benzophenone, nonylphenol, TNPP, azo dyes, octylphenoethoxylate, asbestos, dimethylfumurate (DMF), fluorinated telomeric materials, vPvB, perfluorocarbon resins (PFC's), PFOA, PFOS, Dioxin, benzene, trichlorobenzene, phenol, sulfur, organotins (DBT and DOT), BHT, BHA, TBHQ, PVDC, parabens, styrene, nano-particle materials, GMOs, or any animal by-products.

MPI LODL series films also pose no risk of cancer or reproductive hazards under the California Safe Drinking and Toxic Enforcement Act of 1986 (Proposition 65 - listed chemicals) directive and its amendments and therefore do not require a warning statement.

REACH Compliance Statement

Manufacturers of **MPI LODL** series films have provided statements to us that their film products exported to the EU by our customers are in full compliance with REACH. **MPI LODL** series films are articles in terms of REACH definitions and are therefore exempt from registration. These products do not contain substances which are released under normal or reasonably foreseeable conditions of use (REACH Article 7-1). EU-importers of Multi-Plastics products are therefore relieved from any registration or notification obligations.

These statements also include all Substances of Very High Concern (SVHC) as is defined in Article 57 of REACH. However, please be advised that we do not specifically test **MPI LODL** series films for each of those substances as they are not intentionally added to them and are not expected to be present at any levels above the threshold limits identified in REACH based on our detailed knowledge of all of the raw materials used in our film and sheet products. This guarantee is valid for all SVHC's listed up to December 2015 including Annex 17.

The information provided is believed to be reliable but it is meant only as a guide and is not intended to show compliance with any specific end use. It is the users responsibility to assess all application requirements and then to assure full compliance with all laws, regulations, and standards. This compliance certification for Multi-Plastics **MPI LODL** shall remain in full force and effect for all shipments unless and until it is revoked in writing.

Sincerely,

Philip Pappajohn
Director of Research & Development
Multi-Plastics, Inc.
