MULTI–PLASTICS

Regulatory Compliance

Version: January 2024

Multi-Plastics Extrusions, Inc. Kosher Statement Letter

Multi-Plastics Extrusions, Inc. is supervised by the Orthodox Union and maintains annual certification for all products produced at its Hazleton, PA and Avenel, NJ manufacturing facilities. This process includes:

- Rigorous inspection of our secure production facilities
- Approval of all ingredients used in manufacturing our products
- Independent agency guarantee of Pareve certification

A copy of the annual OU KOSHER certificate is also available upon request. However, use of the OU trademark is only permitted by written agreement of the certifying agency.

Contact exorders@multi-plastics.com with any questions.
