2500 Glassine
End Use Compliance Statements

Heavy Metals and CONEG Compliance Statements

Multi-Plastics Extrusions, Inc. hereby certifies that all **2500 Glassine Film** has been tested for heavy metals and complies with the requirements of the toxics in packaging laws. Specifically:

- We certify that the regulated metals of lead, mercury, cadmium, and hexavalent chromium were not intentionally added to **2500 Glassine Film** during the manufacturing process.
- We further certify that the sum of the incidental concentration levels of lead, mercury, cadmium, hexavalent chromium present in **2500 Glassine Film** does not exceed 100 ppm by weight (CONEG model limit).

California Proposition 65 Statement

2500 Glassine Film pose no risk of cancer or reproductive hazards under the California Safe Drinking and Toxic Enforcement Act of 1986 (Proposition 65 - currently listed chemicals) directive and its amendments and therefore do not require a warning statement to consumers.

Toxics Statement

2500 Glassine Film also does not contain any Bisphenol-A or S, formaldehyde, PVC, phthalates, ozone depleting materials, polychlorinated biphenyls, perfluoroalkyl substances (PFAS including PFOA and PFOS) or natural rubber latex. Halogenated materials such as chlorine or bromine compounds have also not been added at any point in the manufacturing step, and so **2500 Glassine Film** is certified to be a 100% halogen free packaging material. However, please be advised that Multi-Plastics does not specifically test for these chemicals but also does not expect them to be present for any reason in the orders you may receive.

Consumer Product Safety Improvement Act (CPSIA) Statement

2500 Glassine Film also complies fully with all relevant CPSIA product safety rules and government guidelines.

The information provided is believed to be reliable but it is meant only as a guide and is not intended to show compliance with any specific end use. It is the users responsibility to assess all application requirements and then to assure full compliance with all laws, regulations, and standards. This compliance certification for Multi-Plastics, Inc. **2500 Glassine Film** shall remain in full force and effect for all shipments unless and until it is revoked in writing.
