REACH Regulation (EC) No 1907/2006 Compliance Statement

Manufacturers of all **7WEZ Lamination Films** raw materials have provided written statements to us that their products which are ultimately exported to the EU by our customers are in full compliance with REACH. However, our **7WEZ Lamination Films** products are *articles* in terms of REACH definitions and are therefore exempt from registration. These products do not contain substances which are released under normal or reasonably foreseeable conditions of use (REACH Article 7-1). EU-importers of Multi-Plastics' products are therefore relieved from any registration or notification obligations. These statements also include all Substances of Very High Concern (SVHC) as is defined in Article 57 of REACH.

However, please be advised that we do not specifically test **7WEZ Lamination Films** for each of those substances as they are not intentionally added to them and are not expected to be present at any levels above the threshold limits identified in REACH based on our detailed knowledge of all of the raw materials used in **7WEZ Lamination Films** products. This manufacturer's guarantee is valid for all SVHC's listed up to January 2025 including Annex XVII.

The information provided is believed to be reliable but it is meant only as a guide and is not intended to show compliance with any specific end use. It is the users responsibility to assess all application requirements and then to assure full compliance with all laws, regulations, and standards. This compliance certification for Multi-Plastics, Inc. **50AF Films** shall remain in full force and effect for all shipments unless and until it is revoked in writing.
